SOBHA ROYAL PAVILION - 2, 3 & 4 Bed Luxury Apartments on Sarjapur Road.

The sunshine here reflects the royalty of palatial living in Rajasthan,
and the breeze whispers the soothing sarangi music – unveiling a world of royalty and convenience.
Inspired by the intricate designs of Royal Rajasthan architecture, SOBHA Royal Pavilion will allow you
to inherit the legacy and royal lifestyle of Rajasthan Rajputs in the heart of Bengaluru.

FROM THE ARCHITECT'S DIARY

Hello,
Rajasthan, the Great Indian Desert, has been an oasis of inspiration for artists, architects and others across the world. Rajasthan's regal heritage, sheer grandeur and scale of its architectural compositions, splendour of its art & handicrafts, and geometry & symmetry of its gardens will enthrall any creative mind. Our architecture and design team was tasked with the responsibility of bringing to life many such magical elements of Rajasthan palaces in SOBHA Royal Pavilion. The project is an endeavour to give our customers an experience of Regal Rajasthan right here in Bengaluru.

We have attempted to incorporate a few timeless features of Rajasthan architecture in SOBHA Royal Pavilion. Features and structures like Grand Chhatris, Ornamented Pillars, Courtyards, Beautiful Jaalis, and Wide Arches that are typical to the Indo-Saracenic architecture have found their way into the property. We have adopted some elements and modified some others to suit the climate of the city, keeping in mind their functionality and utility. While jaalis, the natural air conditioners of Rajasthan Palaces, have been modified as a device to aesthetically conceal the pipes in service shafts, the cosy chhatris have been adopted as a poolside venue for the residents to relax and rejuvenate. We have created a wonderful residential enclave that is beautiful, durable, and functional. SOBHA Royal Pavilion is your access to fine regal living. Go ahead and turn the page for a peek into our chic addition to the East Bengaluru skyline.

Sincerely yours,
Geetha K Nair
EVP, Design and Engineering

INSPIRED FROM THE LAND OF KINGS

Architecture plays a decisive role in defining the character and personality of a place. Rajasthan, the 'Land of Kings', as the name suggests, displays a skyline that leaves a viewer wonderstruck. The majestic forts and palaces outline the persona of Rajasthan architecture – an ingenious fusion of influences coming from the Mughal and the Hindu structural styles. The beautifully carved intricate designs in temples and magnificent havelis demonstrate the deeply engraved architectural heritage of Royal Rajasthan.

At SOBHA Royal Pavilion, you will be constantly reminded about the Grand Life of yesteryears, as we have meticulously combined the brilliances of Rajasthan architecture through its marquee design elements. The Chhatris at the common spaces, and the Stepwell inspired Amphitheatre are thoughtfully designed, exhibiting the true grandeur of the Rajput era. The Grand Clubhouse, with Jharokhas & Jaalis, spread over 40,000 sq. ft. is nothing less than a royal fortress. The expansive Swimming Pool and stylish outdoor Jacuzzi are a class apart. The Gardens & Water Fountains, and Giant Elephant Motifs & Sculptures are featured in the park as an insignia of your Royal territory. The architectural genius of Rajasthan speaks the language of design excellence and quality that has withstood the test of time over many centuries.

SOBHA Royal Pavilion is built keeping in mind the nuances of this rich architectural legacy – ensuring that every moment of your life is surrounded by unmatched luxury and comfort, on par with the lifestyle of a regal past. An abode that's a standing proof of privileged living beckons you at SOBHA Royal Pavilion. Go ahead, announce your arrival.

- 2 Basements + ground + 18-storey RCC structure

CAR PARKING

- Covered car parks in basement levels

FOYER/LIVING/DINING

- Vitrified / ceramic tile flooring and skirting
- Plastic emulsion paint for walls & ceiling

BEDROOMS

- Vitrified tile flooring and skirting
- Plastic emulsion paint for walls & ceiling

BATHROOM

- Ceramic tile flooring
- Ceramic wall tiling upto ceiling
- False ceiling with grid panels

KITCHEN

- Ceramic tile flooring
- Ceramic wall tiling upto ceiling
- Plastic emulsion paint for ceiling

BALCONIES/UTILITIES

- Ceramic tile flooring and skirting
- Granite coping for parapet/MS handrail as per design
- Plastic emulsion paint for ceiling/false ceiling as per design
- All walls painted in textured paint

DOMESTIC HELP ROOM (WHEREVER APPLICABLE)

- Ceramic tile flooring and skirting
- Plastic emulsion paint for walls & ceiling

DOMESTIC HELP BATH (WHEREVER APPLICABLE)

- Ceramic tile flooring
- Ceramic wall tiling up to ceiling/false ceiling
- Plastic emulsion paint for ceiling/false ceiling as per design

PRIVATE GARDEN (WHEREVER APPLICABLE)

- Soil filling
- Granite coping for parapet/MS handrail as per design

STAIRCASE

- Concrete treads & risers
- Textured paint for walls
- Plastic emulsion paint for ceiling
- MS handrail

COMMON AREAS

- Ceramic tile/vitrified tile/granite flooring
- Ceramic tile cladding up to ceiling/false ceiling
- Plastic emulsion paint for ceiling/false ceiling as per design
- Granite coping for parapet/MS handrail

JOINERY

MAIN DOOR/ BEDROOM DOORS:

- Frame – timber
- Architrave – timber
- Shutters – with both side HDF skin

BATHROOM DOORS:

- Frame – timber
- Architrave – timber
- Shutters – with outside HDF and inside laminate

All other external doors to be manufactured in aluminium/UPVC extruded frames and shutter with panels
Aluminium glazed windows

LIFTS

- 3 lifts in each wing

LANDSCAPE

- Designer landscaping

COMMON FACILITIES

- Swimming pool
- Tennis court

PLUMBING

- Sanitary fixtures of reputed make in all bathrooms
- Chromium plated fittings in all bathrooms

ELECTRICAL

4BHK APARTMENT

- Split AC provision in master bedrooms and living

- Standby power of 1 KW for apartments and 100% power backup for common area facilities
- Television points in living & master bedroom
- Telephone points in living & master bedroom
- Intercom facility from security cabin to each apartment (only point)

SOBHA Limited takes great pride in delivering international quality standards to its customers. Please find enclosed specifications for **SOBHA Royal Pavilion**

While the specifications reflect the high quality standards that **SOBHA Limited** employs in the project, we would request our customers to note that many of the materials used in the project- including, but not limited to, marble, granite, wood, etc. are subject to variations in tone, grain, texture, Colour and other aesthetic features, which are beyond our control. For example, in case of granite, which is pre-polished, when laid, may result in certain amount of unevenness, due to its inherent property. While we confirm that we will use similar quality materials available, we are unable to confirm/assure that the products used in the building will always match the samples shown with regard to these features.

We also request you to note that certain manufactured materials such as ceramic/rectified and vitrified tiles, anodized/powder coated aluminum, sanitary ware, etc., are subject to colour variations and this is mostly due

to items being manufactured in different lots and due to the inherent manufacturing process (In case of vitrified tiles). The final product used in the building will therefore be subject to these colour variations, which again is beyond our purview.

SOBHA Limited relies on manufacturers and suppliers for its raw materials – such as marble, granite, timber, tiles, aluminum, sanitary ware, etc. These are possibilities that the materials specified and shown in model apartment / samples may not be available at the time of construction. In such instances **SOBHA Limited** reserves the right to replace unavailable material with suitable alternatives of the same standard, grade and specification. We request our valuable customers to note that any such changes made will not, in any way, be detrimental to the quality of the building.

SOBHA Limited will attempt to minimize variations to specifications, however in case of any variation of the same we will not compromise in terms of the standard, grade and specification.

RAVI PNC MENON
CHAIRMAN

PNC MENON
CHAIRMAN EMERITUS

ABOUT SOBHA

With four decades of glorious experience in creating interiors of palaces and masterpieces in the Middle-East, Mr. P.N.C. Menon founded SOBHA Limited in 1995 with a clear vision to transform the way people perceive quality. Today, SOBHA, a Rs. 26.4 billion company, is the most trusted brand and the only backward integrated real estate player in the country.

Since inception, the company has always strived for benchmark quality, customer centric approach, robust engineering, in-house research, uncompromising business ethics, timeless values and transparency in all spheres of business conduct, which have contributed in making it a preferred real estate brand in India. In 2006, SOBHA went public through its initial public offering, an event that created history when the issue got oversubscribed by a record 126 times.

One of the most well-respected brands in the real estate sector, SOBHA has many distinctions to its credit, mainly its impeccable execution and on-time delivery track record. As of 31 March 2017, SOBHA has completed 118 real estate projects and 288 contractual projects covering about 86.73 million square feet of area. The company currently has ongoing real estate projects aggregating to 42.18 million square feet of developable area and 30.22 million square feet of saleable area, and ongoing contractual projects aggregating to 8.81 million square feet under various stages of construction. The company has a real estate presence in 9 cities, viz. Bengaluru, Gurugram, Chennai, Pune, Coimbatore, Thrissur, Kozhikode, Kochi and Mysuru. Overall, SOBHA has a footprint in 27 cities and 13 states across India.

THE SOBHA WAY

Backward integration is what drives the organisation's turnkey projects. In a turnkey scenario, we bring the expertise of all our divisions to focus on every single aspect of a project. In other words, everything from precision engineering to aesthetic design and from quality metal glazing to high-class interiors is done in-house. This allows for stringent control on quality, which in turn gives our customers a fine combination of precision and aesthetics.

PERFECTION AT WORK

At SOBHA, we design homes with a lot of thought. Considerable time is spent on thinking about their safety of the impact on the society and environment. Over the course of last two decades, we have focused on cutting-edge technologies and processes. Our philosophy is to provide an enriching lifestyle in a beautiful yet highly functional SOBHA home. Discover our experience centre, SOBHA Museum – a testament to our world-class technology and precision engineering processes that work behind the scenes to ensure the comfort and safety of our customers.
